

RETURN & REFUND POLICY

- All UED sales are final unless defective.
- Non-renewable warranty claims must be received via email to operations@tillerfoundation.org within 60 days of original ship date from the Foundation. Customer pays trackable return shipping.
- Warranty does not cover abuse, misuse or damage from use of improper power adapter.
- **Out-of-warranty UED units** may be returned for repair if not electrically damaged and if repair is possible. Units may be replaced at the Foundation's discretion at a 30% discount from current retail price. Customer is responsible for return and re-ship postage.
- **The Tiller Foundation is unable to accept returns of used/imprinted UEDs.**

ELECTRICITY FOR NON-USA USERS:

The 120 Volt AC adaptor provided works only in North America. If your country's voltage is different, you will need a voltage converter or transformer appropriate to your country. You will also need an adapter plug to fit the power outlet in your country
